## QUALITY POLICY

The Directors of Beck Optronics Solutions Limited, Focus 31 – West Wing, Mark Road, Hemel Hempstead, Hertfordshire HP2 7BW, affirm their commitment to Quality Assurance and specifically to maintaining a Quality Management System in conformance with, and accredited to, BS EN 9001:2015, and such other relevant Quality Standards that may apply to any UK or international contracts.

Beck Optronics Solutions Limited designs and manufactures precision electro-optical systems, providing design, development, prototyping, measurement, testing, assembly and manufacture of optical, opto-electronic systems and sub-systems, to Clients globally.

It is the Policy of the Company that the quality requirements of the contracts it undertakes will be determined, agreed and satisfied throughout all stages of delivery.

Further, the Company requires all employees to ensure that all activities are performed in accordance with the Policies and Procedures as defined in the Quality Assurance Manual. The Policy and Procedures within the System are mandatory across all areas of the Company.

The Company seeks continual improvement, and the Quality Assurance Manual defines the processes, control systems and quality programme to ensure that the Policy is fulfilled, and serves as the instrument of authority to all employees in the execution of their duties with regard to matters of quality.
